

PREMIUM ICE CREAM & DESSERTS

REAL INGREDIENTS - REAL TASTE

We are a family-owned Irish company founded by Tomás Murphy who began making ice cream using a classic Italian recipe on his dairy farm in Wexford, Ireland. Coolhull Farm is now managed by Tomás' son Barry.

Coolhull farm produces a wide range of frozen desserts for the food service and retail markets. Our dairy farming heritage and farm fresh ingredients allow us to make many of our products from scratch.

From ice cream to cheesecake and baked confectionary, Coolhull Farm has all your dessert requirements covered.

There's something about making things from scratch that fits who we are.
